

CAPABILITIES STATEMENT

Fermin Industrial Metal Works Inc.
Minority and Women-Owned Small Business

**Fermin Industrial
Metal Works Inc.**
QUALITY ALWAYS WINS

Company Overview

Founded in 2019, Fermin Industrial Metal Works Inc. (FIMW) is a leading mechanical and industrial construction firm specializing in welding, piping, fabrication, and energy infrastructure. We deliver high-performance solutions with a commitment to quality, safety, and on-time execution. Our ASME-certified team brings deep industry knowledge and technical precision to every project, whether it's a co-generation plant, shipbuilding job, or structural steel installation.

Core Competencies

- **Mechanical & Industrial Services**
 - Pipe & metal fabrication (shop & field)
 - Equipment installation & mechanical construction
 - Structural steel welding (stairs, mezzanines, supports)
 - X-ray quality welding services (SMAW, GMAW/MIG, FCAW, GTAW/TIG)
- **Specialized Industries**
 - Co-generation & Power Plants
 - Pharmaceutical & Chemical Manufacturing
 - Food & Beverage Facilities
 - Oil & Gas Infrastructure
 - Shipbuilding & Maritime Repair

Differentiators

- ASME-Certified Welders: Skilled in high-integrity, code-compliant welds including X-ray quality inspections.
- Proven Performance: Experience delivering large-scale industrial projects under strict safety and quality standards.
- Strategic Locations: Presence in the U.S. mainland, Puerto Rico, and the Caribbean.
- Mobilized Workforce: Fully equipped, safety-trained team ready to deploy regionally.
- Woman and Minority-Owned: Certified SBE and MWOB in New Jersey; WOSB certified with SBA.

Current and Past Performance

- CHP Plant construction, Kenvue corp.
- General PR (PREPA) – Maintenance, Central Aguirre
- CHP Plant construction, Bacardi corp
- CHP Plant construction, Janssen, Johnson & Johnson comp
- CHP Plant repair, Cooper Vision
